## PRECAUTIONARY STATEMENTS

### CAUTION

Avoid contact with eyes, skin, food and clothing. Discard contaminated food. Avoid tasting! The taste is extremely bitter and very unpleasant.

Avoid breathing spray. Do not apply RO-PEL indoors.

Never use on food, animal feed, edible plants or directly on the fruit or nuts of trees. Do not use on sugaring maple trees since RO-PEL could affect the taste of the maple syrup. Do not use on fruit or vegetable seeds without prior testing.

RO-PEL has not proven to be harmful to plants when used as directed, but as an added precaution a test should be made before applying.

Before using on painted or stained surfaces test a small area to determine whether RO-PEL's ingredients will damage the surface, paint or stain. Do the same with any plastics or fabrics. If in doubt, test first!

### STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Gargle with water and spit out. IF ON SKIN: Wash first with rubbing alcohol, then soap and water.

IF IN EYES: Flush eyes immediately with copious amounts of water. Get medical attention if any irritation develops and persists.

### ENVIRONMENTAL HAZARD

Keep out of lakes, streams or ponds.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

One gallon of RO-PEL will properly treat 1,000 to 4,000 sq. ft. depending upon surface conditions and porosity of items being treated.

## STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store only in original container. Do not dilute or mix with other chemicals. Protect from freezing and high temperatures. Keep in a dry place, inaccessible to children and pets. If container is punctured, pour remaining contents into another plastic container. If product spills, use an absorbent, such as cat litter, to dry spill.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse, then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by incineration, or if allowed by State and Local authorities, by burning. If burned, stay away from smoke.
